## ***Web Development Professional***

*Skilled and passionate Web Developer that maintains a wide-ranging coding skill set, including HTML/CSS, JavaScript (including Node and React), APIs and DOM. Excelled within an experiential and project-based Web Development training program and earned **industry-aligned certifications**. An Eager Full Stack Web Developer who dedicated 25+ hours of extra study time after class each week.*

### WEB DEVELOPMENT SKILL SET

- 
- |                  |                             |             |
|------------------|-----------------------------|-------------|
| ▪ CSS            | ▪ Node                      | ▪ SQL       |
| ▪ Express        | ▪ PostgreSQL                | ▪ APIs      |
| ▪ Git and GitHub | ▪ React                     | ▪ DOM       |
| ▪ HTML           | ▪ Project Management        | ▪ Bootstrap |
| ▪ JavaScript     | ▪ React Hooks and Libraries |             |

### TRAINING, EDUCATION, AND PROFESSIONAL DEVELOPMENT

*Eleven-Fifty Academy – Fishers, IN*

2021

#### **Web Development Training**

- Currently attending a rigorous 7-month training program that teaches the most current programs used in **front-end and back-end development**.
- Learned to build well performing front-end with React and back-end servers with Node and Express
- Mastered how to integrate the front end with the backend to create a full stack app that incorporates create, read, update and delete to the database and also uses token-based authorization.

*JobWorks Education & Training Systems – Fort Wayne, IN*

2020

#### **TechWorks - Experiential and Project-Based IT Support Training Initiative**

- Excelled within **an intensive 250+ hour training program** that builds relevant and immediately applicable IT support skills through a wide ranging and innovative curriculum
- **Earned 3 industry-aligned certifications**, including CompTIA IT Fundamentals, CompTIA Cloud Essentials, and IBTA Business Communication
- Immersed in and **acclimated to a results-driven and customer-focused organizational culture**, which includes high performance expectations, rigorous standards, and a team-based approach

*Purdue University – West Lafayette, IN*

2012

#### **Bachelor of Science, Organizational Leadership & Supervision**

#### **Entrepreneurship Certificate**

### HIGHLIGHTED EXPERIENCE

*Motionwear - Indianapolis, IN*

2017 - 2020

#### **Customer Service**

- Expertly managed up to 100 annual customer requests through the design process, approval, and production
- Maintained 100% compliance on weekly audits while ensuring uniform orders met precise custom specifications
- Assisted customers that were having issues with company website

### OTHER EXPERIENCE

*Bed Bath and Beyond*

**Customer Service Trainer**

2014 - 2017
